The Florida Suncoast Christian Schools Band Festival provides an opportunity for Christian schools in Florida to combine the resources of their band programs on the junior and senior high level. The bands rehearse and perform together in a mass band festival concert. Two bands form the core of the event and are directed by guest conductors who know the experiences of Christian school band students and seek to encourage, foster interest and promote growth in their respective programs. The Florida Suncoast Christian Schools Band Festival is in its eighteenth year of serving Christian schools in central and west Florida.
