FIRST QUARTER COMES TO AN END SOON

Wednesday, October 14, the end of the first academic quarter, is just around the corner. Many high school students will end this quarter with cumulative quizzes and tests. These are the final days to get grades improved before report cards go home on Friday, October 16.

Be sure to check iNow regularly to see progress information for student grades, discipline, and attendance. You can visit iNow by logging on to the school website, communitychristianfl.com, and clicking on the iNow icon near the top of the page.

On hot days, our elementary students are able to enjoy recess in the air-conditioned gymnasium. Several kindergarten boys prepare for a game of kickball during their morning recess time.

should be picked up from school at 1:00 p.m. so that teachers can hold conferences with parents. If you would like to schedule a conference, please reach out to the appropriate teacher. Conferences can be scheduled as early as 1:30 p.m. and as late as 5:50 p.m.

As we wrap up first quarter, it's time to consider scheduling a conference with your child(ren)'s classroom teacher(s). Monday, October 19, has been set aside as an early dismissal day. **Students**

FALL CONCERT IS ON THE CALENDAR

With only a few minor adjustments, the junior and senior high fall concert will be on October 22. Our junior high musical selections will be presented from 7:00 to 7:30 p.m., and our senior high musical selections will be presented from 8:00-8:45 p.m. We will observe necessary safety protocols during both concerts: physical distancing, mask wearing, and random temperature screening. CCS asks that anyone who is exhibiting CoViD symptoms enjoy the livestream video of the concerts from the comfort of home through our Facebook page: facebook.com/communitychristianfl.

Concerts take work! Mrs. Fox works to prepare the CCS junior high handbell choir for the upcoming fall concert.

Box Tops and Coca-Cola Points

Don't forget to send in your Box Tops and Coca-Cola points. Not only do these items help us get much-needed items for our school, but they also allow the students to earn homework passes to be used on certain assignments. Contact Mrs. Dusenberry (adusenberry@commbapt.com) for more information.

Calling All LEGOs

Mrs. Hale's first grade class needs your gently used LEGOs. If any families are able to donate LEGOs for the first grade to use for various engineering projects in their science class, we would greatly appreciate your generosity. Reach out to Mrs. Hale (mhale@commbapt.com) if you are able to help.

CoViD-19 Update
